

Foster & Adoptive Parents Needed!

- Do you have room in your home & heart for 1 more child?
- Do you want a child, but don't want to go through potty training?
- Could you use help in setting your DVR?
- Are you confused between Facebook, Twitter, & Instagram?
- Do you miss going to high school football & basketball games?
- Do you have the desire to help a young person transition into adulthood?

Why not foster or adopt an older child?

There is currently a need for families for youth between 6 to 18 years of age. These young people are bright, energetic, funny and creative, AND with YOUR help, they can have the one thing they desire most - to be part of a family. If this is YOU Please contact the TRAC Intake Department at: **(412) 471-8722** and get started **TODAY**.

Already an Adoptive or Foster Parent? Do You Need Extra Support For Your Family?
