

Welcome, Class of 2035.

**REGISTER FOR KINDERGARTEN TODAY.
EXPECT GREAT THINGS TOMORROW.**

Get your child off to the best possible start at Pittsburgh Public Schools. Our PA-certified teachers understand how young children learn and what they need to know to be successful. Through technology, they help students build problem-solving and literacy skills. And work one-on-one with them to ensure they are ready to tackle the challenges of first grade and beyond.

If your child will be 5 years old by September 30, go to www.pghschools.org/kindergarten to register. You'll find all the information you need to know, plus specific instructions for enrolling.

It's as easy as 1-2-3:

- Click on the Discover PPS link to see what neighborhood school your child will attend.
- Gather all the documents you need, including proof of your child's age, two proofs of residency, immunization records from your doctor's office, and a completed PPS Enrollment and Emergency Contact form.
- Follow the link to upload all of your documents and complete the enrollment form online.

Is your child currently enrolled in a PPS PreK program? You don't need to complete a separate enrollment form! Go to www.pghschools.org/kindergarten and scroll down the webpage to find out more.
