

EMPLOYMENT OPPORTUNITY SUPPORTING PITTSBURGH YOUTH

Communities In Schools Pittsburgh Allegheny County (CISPAC) is a solutions-based organization that builds business and community partnerships and coordinates programs and services to enhance school capacity and ignite student success. We strive to be the leader of the community school implementation throughout the Pittsburgh Region ensuring an equitable education experience for ALL students.

Mission: *“To surround students of the greater Pittsburgh region with a community of support empowering them to achieve in school and succeed in life”*

Position Overview: The **Re-Engagement Specialist** is responsible for providing case management within a high school setting to a targeted population of students and their families who have not engaged or have had limited engagement in their education either in-person or virtually. The Reengagement Specialist will work with their assigned school’s Lead Implementation Specialist and school administration to identify these students and provide them with professional, accessible services with the intent of reengaging them in learning.

MULTIPLE POSITIONS AVAILABLE!
